Global Minerals Contracts AMC Consultants for 43 101 Report on Strieborna Silver Deposit, Slovakia

Vancouver, B.C. – February 22, 2008 – Global Minerals Ltd. (the “Company”) is pleased to announce that it has contracted AMC Consultants Pty. Ltd. (“AMC”) of Melbourne, Australia, to proceed with the preparation of a National Instrument 43 101 compliant current resource estimate for its Strieborna Vein Silver Project in Slovakia.

The Company also wishes to announce that, further to its news release dated January 31, 2008, by mutual agreement, D&D Securities Company and Global Minerals have agreed to cancel the letter of engagement between the companies. Instead, in cooperation with D&D Securities, the Company will pursue interim financing alternatives and revisit a brokered financing upon completion and filing of the Strieborna Report.

About AMC Consultants Pty. Ltd.

AMC Consultants is a leading mining consultancy, focused exclusively on the mining sector, with around eighty consultants in offices located in Melbourne, Perth, Brisbane, Adelaide, United Kingdom and Vancouver. It has prepared Qualified Person’s Reports in accordance with National Instrument 43-101 reporting standards and is familiar with the requirements of the relevant Canadian regulations.

Global Minerals is a Canadian-based company with focus on the acquisition, exploration and development of mineral property interests. For further information about Global, visit www.cgmltd.com, or contact investor relations, Derek Sutherland, at 778-786-1531 or email dsutherland@cgmltd.com.

This press release was prepared by George Heard, B. Sc., MBA, P. Eng., a qualified person in accordance with National Instrument 43-101 Standards of Disclosure for Mineral Projects.
