GLOBAL MINERALS CONFIRMS SHARE CONSOLIDATION

Vancouver, B.C., January 28, 2010 – Global Minerals Ltd. (the “Company” or “Global”) (CTG: TSX-Venture Exchange, DFP: Frankfurt Exchange, OTC: GMLFF.PK) announces that it has completed the consolidation of its common shares on the basis of one (1) “new” common share for twelve (12) “old” common shares as approved by shareholders at the Company’s Annual and Special Meeting held on December 4, 2009. Effective Friday, January 29, 2010, the common shares of the Company will commence trading on the TSX Venture Exchange on a consolidated basis under the same stock symbol “**CTG**”.

Letters of transmittal describing the process by which shareholders may obtain new certificates representing their consolidated common shares will be mailed shortly to registered shareholders. Shareholders who hold their shares through a broker or other intermediary and do not have shares registered in their name will not be required to complete a letter of transmittal. No fractional shares will be issued under the share consolidation and any fraction will be rounded to the nearest whole number.

Following consolidation and subject to rounding, the Company will have issued and outstanding 9,770,142 common shares. All outstanding options of the Company will be adjusted accordingly to reflect the share consolidation.
